

# Terrence Langston

## Software Engineer

San Francisco, CA 94115 | Phone: 510-871-1786 | Email: [ttime1100@gmail.com](mailto:ttime1100@gmail.com)  
LinkedIn: <https://www.linkedin.com/in/tlangstonsf/> | GitHub: <https://github.com/ttime1100>

## Objective

I am an energetic and imaginative developer who is able to work alongside other talented IT professionals in creating websites, web apps and mobile apps to the highest standards. I've always had a high awareness of industry trends, particularly in accessibility, usability and emerging technologies. I can say I'm very ambitious and do great under pressure. I have developed a drive with massive energy, which allows me to deliver high quality work. I'm looking for an position with an exciting company that's wants to attract talented people.
